NOMINEES FOR THE POST: Vice President

S/N	Nominees		Key information provided by Nominees
1	Michael Loke	<p>Proposer: Champions Ice Skating Club</p> <p>Seconder: Ice Angels (Friends of Ice Skating)</p>	<p>Michael is the incumbent SISA Vice-President. Over the past 12-months, Michael has actively engaged the Short-track community, listening to their concerns and trying to facilitate solutions. He hopes to be more engaged with the Figure Skating community in the coming months.</p> <p>Michael recently joined the Institute of Technical Education (ITE) as a Lecturer in Sport Management. Prior to joining ITE, he taught at Republic Polytechnic in a similar position under the Diploma of Sport and Exercise Science for 10 years, where he taught a variety of modules including Human Motor Control and Development, Sport and Exercise Psychology, and Sport and Exercise Physiology. In addition to his teaching commitments, he was also the Principal Investigator for a funded project under the Ageless Workplaces Innovation Grant, awarded by the Ministry of Health; and was also the recipient of the Ministry of Education Innovation Award (Silver) in 2020.</p> <p>Before embarking on a career as an educator, Michael was part of the Coaching Development Department at the former Singapore Sports Council (now SportSG), where he was instrumental in setting up various programmes which is now known as CoachSG and the National Registry of Coaches.</p> <p>Michael has a Bachelor of Physical and Health Education and Graduate Diploma in Science (Sport Science) from the The University of Western Australia. His other certifications include accreditation as an Allied Healthcare and Fitness Professional (Exercise is Medicine, Singapore) and NCAP (Theory) Level 3.</p> <p>During his time studying overseas, Michael was a key volunteer at the 1999 Australian University Games and the 2002 National Indigenous Tertiary Games where he was overall in-charge of collating and publishing results from all the events.</p>

2	Romain Meraud	<p>Proposer: Island Ice Figure Skating Club</p> <p>Seconder: Snow Leopard Speed Skating Club</p>	<p>I am a French / SG PR who has been in Singapore since 2009. I am married to a Singaporean and together we have 2 daughters (5 and 2yo).</p> <p>I starting skating since I was 5 years old and was a competitive skater in France. I also competed in the French Junior National Championship for 2 years. I was landing triple jumps during my active skating years, even working on some quads.</p> <p>I volunteered in a non-profit organisation in France for 5 years, holding several roles such as Secretary, Treasurer as well as President.</p> <p>I hold a Masters Degree in Telecom and Computer Engineering and I am also the Managing Director of a local IT Consulting and Managed Services Firm in Singapore since 2009.</p> <p>Being on ice has always been my passion hence I resumed skating in 2019. After being introduced to the community here, I have envisioned placing Singapore in the local and international scene as a mainstream sport. In identifying viable opportunities for the SG skating community, I co-created Kachang on Ice Pte Ltd - a venture aimed at serving the skaters in our market. Starting with our successful blade sharpening services, we would thereafter like to expand our services to provide equipment distribution, on/off ice coaching, specialty training as well as infrastructure management.</p> <p>My main motivations to join SISA is to bring my combined expertise of both being an athlete as well as a business owner to help develop and improve ice sports visibility - for Figure Skating, as well as other disciplines Speed Skating and potential new ones like Ice Dancing, Pairs and Synchronized - in a 2-prong approach:</p> <p>(i) Locally - by making the sports more popular and mainstream and by increasing the pool of skaters (and thus potential high-level athletes) through school outreach programmes, and</p> <p>(ii) Internationally - as it would bring pride to see the Singapore flag (with Singapore-trained athletes) in the Olympics and other international competitions. It would also be an honour to witness Singapore hosting international events as well.</p>

NOMINEES FOR THE POST: Committee Member

S/N	Nominees		Key information provided by Nominees
1	Cheung Hei Lo (Hilda)	Proposer: Tropical Blades Ice Skating Club Seconder: Ice Angels (Friends of Ice Skating)	<p>I first started ice skating when I was 11. I saw a schoolmate taking skating lessons and immediately told my mom that I wanted to learn too. I continued skating until I was 17. Almost 1.5 decades later, I realized that I have missed the sports and decided to continue skating as an adult skater. I have since been learning ice-dancing with a partner for the past 7 years and counting. She has also been a committee member of SISA Exco since Oct 2020 till date.</p> <p>Professionally, I am a program manager with an international learning and development consulting firm. Holds a Master of Education from Monash University and a Bachelor of Business (Business Administration) from RMIT University, Australia.</p> <p>I have held various positions in corporate training, learning and development consulting, curriculum design and education management. My previous work with both local and international organizations has pushed me to be forward thinking, with my deep insight into people development it allows me to understand the needs of various stakeholders.</p> <p>I also enjoyed working with various communities. I was one of the pioneer ambassadors for the 'Safe Cycling Programme' by The Singapore Cycling Federation. I was also a volunteer at Victory Family Centre for their children's ministry between 2004-2008. I was the coordinator and a teacher for the 4-6 years old.</p> <p>I hope that with my professional experiences, coupled with my passion for the sports, I can be an active contributor to SISA and the skating community.</p> <p>Besides enjoying Ice dancing, she is also currently pursuing Ballet and Pilates.</p>
2	Lim May-Ann	Proposer: 111.12M Club Seconder: Snow Leopard Speed Skating Club	<p>Director of the Fair Tech Institute at Access Partnership, and concurrently the Executive Director at the Asia Cloud Computing Association.</p> <p>An experienced public policy professional, and has over 25 years of experience working on strategic engagement, public education, and advocacy campaigns. Has worked with the World Economic Forum, the World Bank, Asian Development Bank, INTERPOL, the Council of Europ, FELEBAN in Latin America, amongst other global engagements.</p> <p>A strong advocate for inclusive education, digital literacy, and sustainability. I also volunteer as a youth mentor with Advisory Singapore, sustainable tech laptop repair trainer with Engineering Good, sits on the Internet Society (Singapore) committee following two years of serving as Exco member, and is also a PADI Dive Master trainee with Submersibles.</p> <p>I hope to bring my deep experience with strategic engagement and continued education to advance interest and participation in winter sports in Singapore.</p>
