Appointment of Officials

The following positions have been approved by the SISA Executive Committee:

Mr Cameron Jelinek, has been appointed to the role of SISA Administration Officer, effective 1st February 2009.

Cameron has been involved in ice skating for over 15 years and has extensive experience in the organisation of competitions and the use of the ISU Judging System.

Mrs Lisa Jelinek, has agreed to take on the role of Director of Technical and Officials, effective 12th January 2009, who will be supported in this role by Sherri Fergus and Dr Reginald Teo.

Lisa has been involved in ice skating for over 30 years, first as a skater then moved onto judging and sports administration. She brings with her a wealth of experience, as she is an International Judge for Singles, Pairs and Synchronized skating and a qualified Data/Video operator for ISU Championship events. In addition she has held various positions with Ice Skating Australia, over the last 15 years.

Lisa and Cameron have recently moved to Singapore from Australia and SISA are very fortunate in securing someone of their calibre to assist SISA in taking ice skating to the next level, given our recent membership with the ISU.
