SEASON 2011/2012 COMPETITION FUNDING SUPPORT STRUCTURE

We wish to inform all SISA Members on the allocation of funding support structure for season 2011/2012 competitions.

To effectively manage the funding available, SISA will be funding national and developmental skaters based on the lowest economy airfare from country of residence or country of training with the amount sourced and dated by SISA Administrator at the point of the first submission entry for the competition from <http://www.airfares.com.sg>.

In addition, SISA will be providing a subsidy of up to \$600 for skaters this season to defray the costs for accommodation. Athletes will be expected to first cover their own training, travel, insurance and competition expenses to attend nominated competitions if they choose to participate and make the necessary claims from SISA upon their return. Receipts and original copies of the boarding passes must be submitted with the funding form.

SISA is presently reviewing our competition selection and funding support framework for the competition season 2012/ 2013 and beyond. The framework will be announced shortly.

If you have any queries or require any support for your upcoming competitions, please feel free to contact Kevin at kevin@e3sports.asia or 97482043. Kevin is our high performance manager who will be overseeing SISA's athlete development and management programmes.

A handwritten signature in blue ink, appearing to read "Alison Chan".
