**SISA EXECUTIVE COMMITTEE
2021 – 2022 TERM OF OFFICE**

SISA AGM

In light of the COVID-19 situation and pursuant to the relevant order under the COVID-19 (Temporary Measures) Act 2020, the Singapore Ice Skating Association (SISA) organised its Annual General Meeting on 30 Sep 2021 via electronic means.

SISA Executive Committee (EXCO)

We would like to thank all affiliated clubs and their authorised delegates for their presence and congratulate the following individuals for being elected into office for a one-year period:

President – Ms Alison Chan
Vice President – Mr Romain Meraud
Hon Secretary – Ms Alicia Tan
Hon Treasurer – Ms Gina Sng
Committee Member – Ms Hilda Cheung

Acknowledgements

We would also like to acknowledge the services rendered by outgoing VP, Mr Michael Loke and for his significant contributions in the past year, specifically on:

- a. Providing clarity with regards to official training activities and how these contributed to the overall training load of individual skaters.
- b. Facilitated the combined training sessions involving spexScholar Trevor Tan and the other national ST skaters.
- c. Active involvement in guiding SISA Secretariat on high performance related issues.
- d. Established strong links with SSI and NYSI.

As an acknowledgement of Michael's influential role, the newly elected EXCO members unanimously approved his appointment as a High Performance System Sub-Committee member to enable him to continue on some good initiatives including the introduction of coach education workshops and discussions on additional income streams with potential partners.

SISA Staffing Matters

SISA's High Performance Executive, Lynn Josephine Tan's last day with SISA was 27 Oct 2021, to take on a role in the Singapore Badminton Association. During her time with SISA, Lynn proved to be an invaluable member of the SISA Secretariat. She also endeared herself well with the skating community and this has created a lasting impression. The SISA EXCO wishes Lynn the very best in her sporting endeavours.

Lynn's replacement would be Mr Yeo Yi Hui who like Mahipal, SISA's Sports Manager, also holds a position in the Singapore Cycling Federation – this arrangement has been approved by Sport Singapore as there can be significant good practice sharing and application in Yi Hui's day to day role. Yi Hui will officially commence work on 1 Nov 2021.

Upcoming Activities

Some immediate tasks in the months ahead would include:

- a. the participation of our top national short track speed skaters in a series of four Winter Olympic Games Qualifying Competitions – the ISU World Cup from mid Oct to end Nov 2021.
- b. organisation of a Short Track Forum.
- c. organisation of a Figure Skating Forum on ice pricing in general and for the squad.
- d. organization of a Safe Sport Awareness Seminar in Dec 2021.
- e. SISA Constitutional Review.

Thank you.
