

## **SISA SNFSC 2013**

### **Communication No. 01**

Dear SISA Members,

We would like to inform all Figure Skaters that the test held on 15<sup>th</sup> January 2013 was the last test for this financial year. SISA will not conduct anymore test before the Nationals for skaters residing in Singapore. Any test held before the Nationals would only be for overseas-based SISA members who are returning to participate in the Singapore National Figure Skating Championships.

The next test for skaters residing in Singapore will be held after 31<sup>st</sup> March 2013, in the new financial year

Additionally, the rule stating mandatory three-month validation for SISA membership prior to the National Championships will no longer be enforced. The only requirement for participation will be a SISA membership current on the day of competition. No exceptions will be made.

We would also like to remind all figure skaters that the entry deadline for the Singapore National Figure Skating Championships is 31<sup>st</sup> January 2013.

Thank you.
