Benchmark Test (BT) Event

As borders have reopened and the opportunities for competitions both locally and regionally are now readily available, including the 2022 Hollins Trophy, the Benchmark Test Event which was originally scheduled to be held on 28 June 2022 will be cancelled; this event was specially curated because of the lack of competitive activities when the Covid19 outbreak was at its peak and unpredictable. Subsequent BT shall be KIV.

International Event in Singapore – Sep 2022

SISA is also planning to organise an international event on the ISU Calendar. This event will likely be held during the first week of September 2022. This will also be a SISA Nominated Qualifying Event.
