SISA TALENT IDENTIFICATION (TID) PROGRAMME
Short Track

1. SISA is pleased to announce the establishment of the Short Track Talent Identification (TID) Programme. National Coach Zhao Yanzhi would manage and lead the TID Programme comprising both on-ice and off-ice activities.
2. The primary objective of the TID Programme is to provide opportunities for skaters to be promoted to the National or Development Squad. At the same time, the programme is intended to allow SISA to accrue a bigger pool of skaters with potential, and, at the same time reduce the deficit in ice-booking fees with a more consistent and larger attendance for ice sessions.
3. The qualifying criteria for the TID programme would include the need for skaters to:
 - a. skate below 1m20s in the 500m distance.
 - b. to be able manoeuvre the corners confidently.
 - c. to be able to skate in rounds confidently.
 - d. be under the age of 20 as at 1 July 2022.
 - e. Singaporean and/or Singapore PR with ISU Clearance Certificate

Note:

Skaters in the TID programme would be required to pay (per pax, per session) \$80.00 for on-ice fees and \$5.00 for off-ice sessions.

4. Based on the results tallied at the 2022 Singapore National Short Track Speed Skating Championships, SISA has identified 6 boys and 1 girl who have fulfilled the above-mentioned criteria. Their ages range from 9 to 12 years of age.
