*"JCube mall to close down on Aug 6"*

Dear Members

We refer to the Straits Times (ST) article on 7 Feb 2023, "JCube mall to close down on Aug 6, site to make way for 40-storey residential development"-

2 As per the ST article and the notice we received from Sport Singapore today, 7 Feb 2023, the JCube mall and The Rink will be permanently closed on 6 August 2023.

3 SISA has been in active discussion with Sport Singapore on plans for an alternative facility to support our members' short and long term training needs. This continues to be work in progress and we hope to be able to share more in due course.

Thank you.
