

**Communication No: 192**

**UPDATE ON RINK CLOSURE AND BEYOND**

This communique serves to inform the ice-skating community that the month of July would be our final booking at The Rink @ JCube. This is because the rink has been exclusively reserved for tournaments organised by the Singapore Ice Hockey Association from 31 July – 4 August 2023 and The Rink officially closes on 6 August 2023.

Notwithstanding the above, we would like to provide some positive news following our Townhall session on 12 April 2023. That is,

- a. In consultation with Sport Singapore, a potential site has been secured and a private business owner will be building the ice-skating rink. The construction and completion of the rink would take minimally 12 months. SISA would be making an announcement on this as soon as the necessary approvals have been secured and, in a good case scenario we expect construction works to commence in January 2024.
- b. Sport Singapore has begun positive discussion with Kallang Ice World (KIW) to allow SISA to book ice for our high performance related programmes and training sessions. We will provide more information as soon as obtain them.

We would continue to update the community periodically and should you have any questions, please reach out to [elly@sisa.org.sg](mailto:elly@sisa.org.sg).

As we celebrate SISA's 25th anniversary, we will be producing a commemorative book to celebrate our milestones and achievements over the years, and to set the stage for the next chapter. More details will be shared soon.

Thank you.

Best regards.
