**UPDATE ON FIGURE SKATING (FS) MATTERS**

1. Unlike in previous years where an Olympic sized rink was present, neither a FS National Championships nor a Squad Selection will be organised in 2025.
2. This difficult decision has been made in consultation with SISA's FS Selection Panel. We have, accordingly, updated the Figure Skating (FS) Squad and Competition Selection Policies for the 2025/2026 season which are now available on the SISA website for your reference.
3. The option to organise the National Championships and/or the Squad Selection at the Kallang Ice World was discussed at length. However, we have identified challenges which we have not been able to address, despite our best efforts. These include:
  - a. Limited booking slot - we have only been able to secure a two-hour slot to run one event. This does not accord us enough time to properly organise either a National Championships or a Squad Selection.
  - b. Ice conditions – acceptable only for community-type activities.
4. Please contact the SISA Secretariat at [administration@sisa.org.sg](mailto:administration@sisa.org.sg) should you require clarifications on the released policy documents.
