

SHORT TRACK SQUAD POLICIES 2026-2027

As we prepare for the upcoming season, we are pleased to announce the dissemination of our updated Squad policies. These documents have been refined to ensure our high-performance pathway remains robust, transparent, and aligned with our evolving aspirations and expectations.

The new policies have been developed in close consultation with our National Coach, Nicole Garrido. Leveraging her extensive expertise, these updates are designed to elevate our training environment, team culture, and provide a clear framework for all athletes.

The goal is to ensure that our policies reflect the standards expected of a Team Singapore athlete, as well as the demands of the sport at the highest level.

These updates also fulfil our ongoing mandate toward Sport Singapore (SportSG) to maintain rigorous governance and develop a sustainable high-performance ecosystem. To ensure all stakeholders fully understand these changes and how they impact the upcoming season, we will be holding a briefing session:

- **Date:** Wednesday, 25 March 2026
- **Time:** 6:30 PM – 8:00 PM
- **Location:** To be confirmed
- [RSVP - Short Track New Squad Policies Briefing – Fill out form](#) by **18 March 2026**

This session is designed to provide full transparency and ensure that members have a clear understanding of the roadmap ahead. Decisions made in the upcoming season will be strictly guided by these new protocols. To avoid any future misunderstandings regarding squad status or competition eligibility, it is vital that you are present to receive this information firsthand.

The full policy documents are embedded in the link in this email for your prior reading. We encourage you to read through the policies before the session and submit specific policy questions which you may have via the RSVP form so that we can address the questions accurately during the briefing session.

We look forward to seeing you there as we kick off a successful new season!
