4. Policy Statement

4.1 Team Representative Uniform Design and Approval

- A Uniform Delegate and/or the General Manager will be appointed by the SISA Board to manage arrangements for the design, purchase and distribution of the official Singapore Representative Uniform.
- The Uniform Delegate will review the design of the uniform each season, based on compliance with ISU Rule 102, paragraph 6, and relevant ISU Communications.
- The Uniform Delegate will obtain requirements from the SISA Board and suggestions and feedback from athletes and coaches on the uniform.
- The Uniform Delegate will provide uniform recommendations, a final design (if relevant) and supplier to the SISA Board for endorsement.

4.2 Advertising/Sponsorship on Uniform

- Personal sponsorship may not be included on Singapore Representative uniforms.
- Individuals may include personal sponsorship on other items of clothing, but must adhere to the following:
 - a) Advise SISA Board in advance of the details of the personal sponsorship
 - b) Agree to adhere to ISU Rule 102, paragraph 6, and relevant ISU Communications.

4.3 Use of Representative Uniform

- The designated SISA Representative Uniform is the only official jacket for international events and must be taken to each international event.
- The designated SISA Representative Jacket should be worn at international events and National Championships during warm ups and at other official occasions where appropriate i.e. starting order draw.
- The representative uniform is for the sole use of the athlete it was assigned to.
- Under no circumstances should the SISA Representative Jacket be loaned, traded or sold to anyone.
- The Representative Uniform or a facsimile of it may not be worn by non-international representative athletes or coaches.
